ENPRESS LLC – 13x65 Light Commercial Vessel

EASTLAKE, Ohio – ENPRESS LLC, is pleased to announce the introduction and availability of its NSF Approved Light Commercial 13x65 vessel with a 2.5” top opening.

Comparable to industry standard 14x65 tanks, ENPRESS’ 13x65 allows for use in applications that require a 3 ft³ softener without the added cost of conversion to the larger diameter tank. The vessel can be loaded up to 30 lbs. of gravel/under-bedding, 3 ft³ of resin, and allows for 20” of expansion during backwash. In January the Dome Hole Option will be available in the 13x65 as well. All Residential and Light Commercial vessels are backed by an exclusive manufacturer’s 10-year limited warranty, and are 100% Made in the USA.

ENPRESS LLC is a worldwide leading manufacturer of composite pressure vessels for use in water treatment. ENPRESS tanks are manufactured with an industry exclusive liner design and formulation that offer superior benefits and features... 100% Made in the USA. More information is available on the company’s website at www.enpress.com or by calling 1-866-859-9274.
